

Dear LHHL Cosponsor,

We are very grateful to all of our cosponsors for your support of the Leo Holmsten Human Life Award.

Your support over the years has allowed us to grow to the extent that not only are we able to recognize local pro-life achievement at our annual dinner, but we can now offer financial assistance for the work you do in upholding the pro-life ideals exemplified by Dr. Holmsten.

We are thankful for your courage to stand for life and for your commitment to the most vulnerable of our society. You are responsible for a remarkable range of events and activities dedicated to preserving the sanctity of human life.

We would like to support you in your efforts. If you have a pro-life event or need for the current year, we encourage you to complete the accompanying **Grant Request Form**. Grant approval will be based on the LHHL Committee's evaluation of the project's objectives, cost and design.

Our LHHL's committee member who is your contact person regarding grant information is:

We look forward to working with you!

Sincerely,

The LHHL Committee
